

iJack-26 (2,600 lbs. Capacity)

Electric Pallet Jack

**MOBILE
WEIGHING
SCALE**

The iJack-26 is an electric pallet jack with a built-in scale designed to weigh and lift loads up to 2,600 lbs. Easy to operate and perfect for navigating tight spaces within trailers and warehouse floors, iJack is powered by a lithium-ion battery and comes standard with Bluetooth and NTEP (legal for trade) technology. Ideal for retail and commercial environments, iJack is an efficient, high ROI option for replacing your hand pallet jack or floor scale.

A Compact, Powerful Electric Pallet Jack

- Built-in scale and WiFi-enabled onboard indicator are standard
- Powered by a rechargeable lithium-ion battery
- Ergonomic handle with reversing switch, horn, and intuitive dual thumb controls for safe and accurate operation
- Compact body easily navigates tight corners
- NTEP (Legal for Trade) certified

iJack-26
