

Rinstrum R320

RAVAS
creating intelligence

A Proven, Affordable Weight Indicator

VERSATILE, TOUGH, DEPENDABLE

The Rinstrum R320 Indicator builds on over 15 years of design experience to deliver a cost-effective, reliable indicator ideal for use in mobile applications such as forklifts. Available for Non-NTEP applications, the R320 is IP65 rated and utilizes a clear LED-backlit LCD.

ADD FLEXIBILITY TO YOUR OPERATION

Capable of managing all general-purpose weighing functions - Zero, Tare, and Gross/Net - the R320 indicator's ultra-compact housing provides several mounting options while standing up to harsh environments.

R320 Indicator

Mobile Weighing Scale
Data Communication

COMPACT

The ultra-compact housing improves sightlines over traditional indicators and allows for the unit to be readily mounted on small control panels or equipment

POWERFUL

Versatile power options with a wide DC operating range eliminates the need for third-party power supplies saving on system complexity and cost

VERSATILE

Features a durable IP65 ABS panel mount housing, protective lens over the LCD to reduce risk of damage from knocks, and stainless steel swivel bracket for pole or wall mounting

YOUR COMPLETE LIFT TRUCK SCALE SOLUTION
