

RAVAS iJack-26 (2,600 lbs. Capacity)

Electric Pallet Jack

**MOBILE
WEIGHING
SCALE**

The RAVAS iJack-26 is an electric pallet jack with a built-in scale designed to weigh and lift loads up to 2,600 lbs. Easy to operate and perfect for navigating tight spaces within trailers and warehouse floors, the RAVAS iJack-26 is powered by a lithium-ion battery and comes standard with wireless connection and NTEP (legal for trade) technology. Ideal for retail and commercial environments, the RAVAS iJack-26 is an efficient, high ROI option for replacing your hand pallet jack or floor scale.

A Compact, Powerful Electric Pallet Jack
