

RAVAS 1100 INOX

Pallet truck scale with basic scale functions

BENEFITS:

- Stainless steel chassis (AISI 316) with polymer indicator housing
- Hygienic design
- Accurate measurements under harsh conditions
- Durable and low maintenance
- Suitable for audits and inspections

Top quality

For industrial use

RAVAS

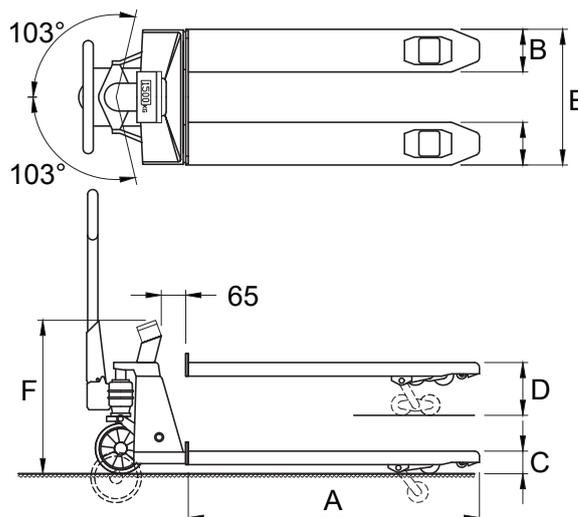

FUNCTIONS

- Automatic and manual zero correction
- Gross/net weighing
- Totalling with sequence number
- Error messages in display
- Automatic switch-off after 3 minutes of non-use
- Low battery warning in display

STANDARD SPECIFICATIONS

- Weighing capacity 2,000 kg
- Graduation 1 kg
- Max. inaccuracy 0.1% of the load lifted
- Display LCD, digit height 18 mm
- Keypad 3 function keys, on/off key
- Protection class load cells IP67, indicator IP65
- Chassis stainless steel AISI 316
- Other steel parts stainless steel AISI 304 bead blasted
- Indicator housing polymer
- Steering wheels nylon
- Loading wheels nylon, tandem
- Power supply 4 x 1.5V AA-batteries
- Battery life when used 5 times a day, the batteries last for a year
- Pump stainless steel, quick lift

DIMENSIONS IN MM

Professional

A	Fork length	1150
B	Fork width	170
C	Minimum fork height	90
D	Maximum fork height	202
E	Width over forks	540
F	Height to top indicator	

APPLICATIONS INOX WEIGHING SYSTEMS

- **Food industry:** suitable for refrigerated or packaged pallet transport.
- **Fish and meat processing:** resistant to salt, moisture and intensive cleaning.
- **Chemical industry:** safe for use with aggressive substances.
- **Pharmaceutical sector:** can be used in sterile and controlled environments.
- **Cleanrooms and laboratories:** no risk of contamination or pollution.

OPTIONS*

- Built-in thermal printer
- Different fork dimensions
- Foot brake
- Multirange graduation 0.5/1.0 kg
- Calibration certificate
